Our curious, playful and nurturing Pre-School is a place where children feel safe, valued and inspired to explore the world around them. We are looking for someone who shares our passion for creating a home-from-home environment where every child is supported to grow in confidence, independence and a love of learning. For many of our children, Pre-School is their first experience of being away from their families, so we are seeking a caring and compassionate individual who can provide the warmth, reassurance and attention they need to feel secure and thrive. In return, you will have the opportunity to be part of a dedicated team committed to giving every child the very best start, preparing them for their next steps while celebrating the joy and wonder of early childhood.

As a school, we are committed to living our mission statement 'child centred learning in the heart of the community'. We are a values-led school and take a relational approach. If you enjoy working as a member of a team, have a professional attitude and are willing to work hard towards the school aims, we would like to hear from you.

You will be well supported by our Pre-School Manager and Early Years Lead and will benefit from being a member of our school staff team. Our setting also offers wrap around care from 7.45am – 5.00pm, which will offer a successful candidate plenty of opportunities to take overtime hours should they wish.

Visits to the Pre-School are always warmly welcomed.

Information about our school and an application form can be downloaded from the school website: www.ilchestercommunityprimary.com (look under staff vacancies). Please apply using the application form and include the names and contact information of two referees, and return completed application to the School Office by email or at the address above.

Closing date: **3pm, Friday 16th October** but may close earlier if suitable candidate found

PPAT Education is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. This position is subject to an enhanced DBS check and other pre-employment checks.
