Our Vision

“To be the best we can be”

We are uncompromising in our aim to provide the very best education in a safe, caring and stimulating environment and dedicated to keeping children at the very heart of everything we do. Our belief that “all children can achieve” drives us to provide an excellent, wide-ranging curriculum which will develop a love of learning to last throughout our children’s lives.

We are a mix of Church of England schools and non-church schools in towns and villages. The distinctive character of each of our schools is celebrated and protected, within their communities. This is achieved by working collaboratively, with a strong focus on maintaining and developing each school’s unique identity. As such, our schools are led by creative people who are also encouraged in their individual approaches, whilst meeting the overarching principles of our Trust.

Our Structure

Members

Members have responsibility for ensuring the Trust is delivering its charitable objectives and its vision and for appointing its auditors. They hold the Board of Directors to account for the governance of the Trust and have the power to appoint directors and remove them. Members agree the Articles of Association which determine how the Trust should be run. The articles include information about how new members are appointed.

Directors

The Board of Directors is legally responsible and accountable for all the Trust's statutory functions. It ensures that Trust business is conducted in compliance with company and charity law, and with the provisions set out in the articles of association and the Trust's funding agreement. It is responsible for the appointment of the CEO and for governance of the Trust and must provide strategic leadership, accountability and assurance and strategic engagement

Finance, Audit and Risk (FAR) Committee

The Trust Board delegates financial scrutiny and oversight of risk to the committee, and it supports the Board in maintaining the Trust as a going concern. The terms of reference for the committee can be found in Appendix A

Local Governing Bodies (LGBs)

LGBs are the link between the Board and the wider school community. They have been delegated decision-making powers by the Board in accordance with this scheme of delegation. They hold their Head Teacher to account for the 4Ss: Standards i.e. the educational performance of the school and its pupils, and regulatory compliance in health and safety; Stakeholder engagement, Safeguarding, and SEND. They monitor the wellbeing of the school community. In church schools, the LGB ensures the school is run in accordance with the principles, practices, and tenets of the Church of England both generally and in particular in relation to arranging religious education and daily acts of worship. The terms of reference for LGBs can be found in Appendix B

Chief Executive Officer (CEO)

The CEO has delegated responsibility for the overall operation of the Trust, including the performance of the Trust's Schools and is responsible for all staff across the Trust. The CEO is also the accounting officer with overall responsibility for the operation of the Trust's financial responsibilities and must ensure that the organisation is run with financial probity, effectiveness, and stability, avoiding waste, and securing value for money.

Chief Finance and Operations Officer (CFO)

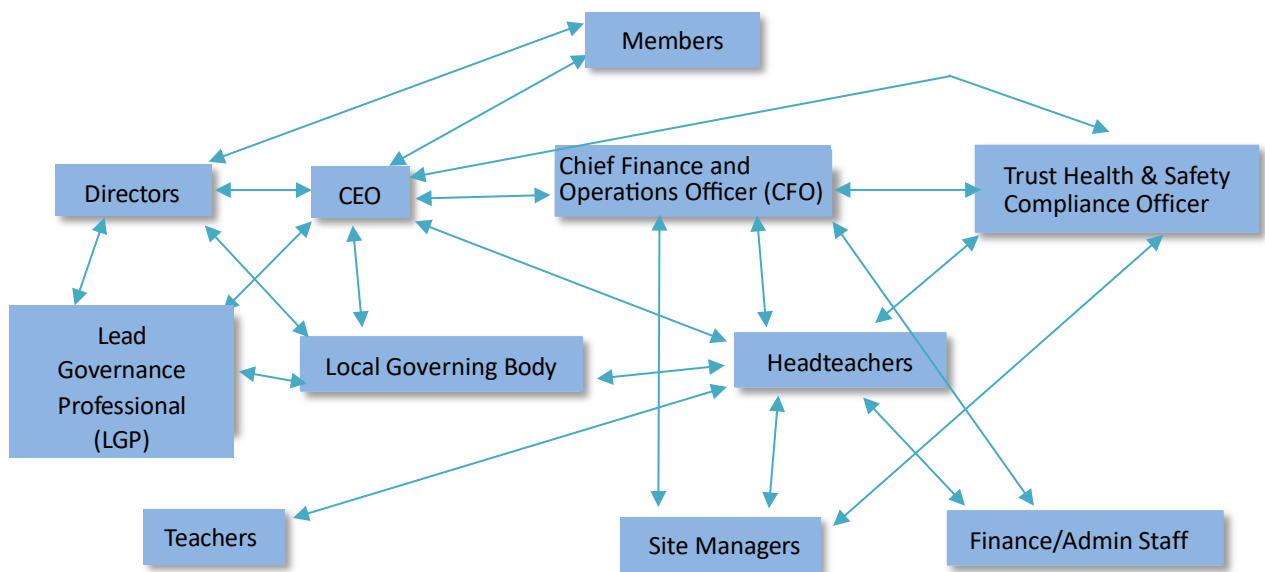

The CFO supports the CEO in their role as the Trust's accounting officer and is responsible for providing the leadership and management of the Trust's finance and business

functions. The CFO also leads the non-academic operations and central service functions of the Trust.

Head Teachers

Head Teachers are responsible for the day-to-day management of their school as outlined in their job description and Headteacher’s Standards.

Trust Reporting Structure

Policies

Our policies set out clear procedures, structures, and expectations needed to ensure our schools are safe, supportive environments where pupils can learn and thrive. As well as the required statutory policies, we have chosen to adopt a number of discretionary policies to ensure the smooth running of the Trust and clearly communicate our core values and principles. Appendix C lists all the policies and their delegation.

The Board of Directors recognises that the history, geography, social and economic context of a school underpins the views and experiences of pupils, staff, and parents and has exercised its right to establish Local Governing Bodies (LGBs). LGBs provide Directors with insight into the unique challenges and opportunities faced by their communities and helps the Trust to achieve its aim to provide the very best education for every child in a safe, caring and stimulating environment while meeting the needs of the communities in which its serve.

LGBs hold their Head Teachers to account for the 4Ss: Standards i.e. the educational performance of the school and its pupils, and regulatory compliance in health and safety; Stakeholder engagement, Safeguarding, and SEND. They monitor the wellbeing of the school community. In church schools, the LGB ensures the school's Christian ethos, values and mission are central to all aspects of school life.

The full list of responsibilities delegated to LGBs is detailed in the table of responsibilities and in these terms of reference.

The Directors have exercised the option to establish LGBs. These LGBs shall be committees established pursuant to Articles 101 to 104 (inclusive) of the Articles of Association of the Trust (the "Articles").

5 Delegated Powers

5.1 General Principles

In the exercise of its delegated powers and functions, the governors of the LGB shall:

- Promptly implement and comply with any policies or procedures communicated to the LGB by the Directors.
- Review its own policies and practices on a regular basis, in view of any advice or recommendations made by the Directors.

- Work closely with the Directors and act with integrity, objectivity, and honesty in the best interests of the Trust and the school.
- Be open about decisions and be prepared to justify those decisions.
- Keep confidential all information of a confidential nature obtained by them relating to the school and the Trust. Not discuss matters outside of meetings or to act as a representative without permission.

Each governor shall be required to take part in regular self-review and is accountable for meeting their own training and development needs. It is a governor's responsibility to consider if, and raise any concerns where, they feel that appropriate training and development is not being provided.

5.2 Levels of Delegation

The table of responsibilities sets out the responsibilities assigned to each level of governance within the Trust's structure. For the avoidance of doubt, where a power is not expressly delegated to the LGB, it will be deemed to have been retained by the Trust, regardless of whether it is specified in the table

The table of responsibilities may be reviewed by the Directors at any time but shall be reviewed at least annually. Directors reserve the right to remove or alter any delegation at any time, whilst having due regard to, but not being bound by, the views of the LGB.
